ABOUT US

Hello! We are Jenn and Brian Herbert, we are avid travelers and love experiencing new and unique destinations for couples. We're a fun-living married couple in our 30's who take every chance we can to get away from our full-time jobs to travel the world. We have gotten extremely good at minimizing our lifestyle and maximizing our savings so we can have exceptional travel experiences! We like to teach our readers how to save money and become financially independent so they can spend money on the fun stuff....like travel!
